

Small Businesses Stand In Solidarity With Ukraine

Show your support for the situation in Ukraine

Girlfridayz is deeply saddened by the ongoing crisis in Ukraine. We urged Small Businesses to stand in solidarity with the people in Ukraine.

A small gesture of support is always welcome and appreciated. You do not always have to give money because there are more ways to show your support for the Ukrainian people.

At Girlfridayz we can show how you can do this without spending a huge amount of money and still support all heartedly the people of Ukraine.

Show your support with a badge or an Icon

- We designed badges and Icon for you to easily add to your site to show your support with the **#Prayforukraine**
- We designed your flyers and we can easily add your badge or Icon to your flyers.
- We designed your landing page and can add a banner at the top or the bottom of the page with your Ukraine support solidarity message.

Support Ukraine by running community events fundraising campaign

- Organise cake sales and the proceeds of the sales goes to the Red Cross
- Organise a run to the post-race at the park, offering beverages to the crowd at £1 each drink and the proceeds of the sales go to the Red Cross.

More Support Ideas for your small business

- Organise a dance challenge contest event online with contestants wearing a T-shirt bearing the Ukraine Heart Flag to show your solidarity support.
- You can also link your video to any donation website or organisation of your choice.
- We designed your T-shirt at Girlfridayz in three sizes, small, medium or large on a white colour fabric because the Ukraine Heart Flag picture design resolution will be sharper.

We've designed this beautiful Ukraine Heart Flag with the **#PrayfortheUkrainianPeople** for you to wear on your white T-shirt for your video dance contest online event.

Take Tick Tock or Instagram Reel by storm with a dance contest wearing our T-shirt design showing your solidarity support for the Ukrainian people.
